OF THE

PROVINCIAL

Agricultural & Arts Association

OF ONTARIO,

TO BE HELD IN THE CITY OF OTTAWA,

ON

MONDAY, TUESDAY, WEDNESDAY, THURSDAY, FRIDAY AND SATURDAY,
SEPTEMBER 22nd, 23rd, 24th, 25th, 26th and 27th, 1879.

RULES AND REGULATIONS.

MEMBERSHIP.

1. The Members of the Agricultural Societies of the several Townships within the County or Electoral Division or United Counties wherein the Annual Exhibition may be held, and the members of the County or Electoral Division Society, shall be also members of the Association for that year, provided the Agricultural Societies of the said Townships or Society of the said County, or Electoral Division, or United Counties, shall devote their whole funds for the year, including the Government Grant, in aid of the Association, and shall pay over the same, accompanied by a list of the members of such Society, to the Treasurer of the Association, two weeks previous to the Exhibition; and provided also that the sum so paid over shall not be less than one dollar for each member of any such Society.

2. The members of the Council of the Agricultural and Arts Association, both elected and *ex officio*, the Presidents and Vice-Presidents of all lawfully organized Electoral District Agricultural Societies, and of all Horticultural Societies and Mechanics' Institutes, all life members, and all subscribers of one dollar annually (which shall entitle such subscriber to membership only for the year for which the subscription is paid), shall constitute the Agricultural and Arts Association. The payment of ten dollars shall constitute a life membership of the Association, when given for that special object, and not as a contribution to any local fund; and those persons who have heretofore been made life members under by-laws of the Association, shall continue to be life members of the same.

3. Members can enter articles for competition in every department of the Exhibition, at any time previous to the dates hereafter mentioned.

ENTRIES.

4. No one but a member shall be allowed to compete for prizes, except in classes 45 and 46.

5. All entries must be made on printed forms, which may be obtained of the Secretaries of Agricultural and Horticultural Societies, or of Mechanics' Institutes throughout the Province, free of charge. These forms are to be filled up and signed by the exhibitor, enclosing a dollar for membership, and sent to the Secretary of the Association, Toronto, previous to or on the following named dates, viz:—

6. *Horses, Cattle, Sheep, Swine, Poultry, Agricultural Implements, and Machines:—* Entries in these classes must be made by forwarding the entry form, as above mentioned, filled up, and member's subscription enclosed, on or before Saturday, August 23, four weeks preceding the show.

7. In the classes of Blood Horses and pure bred Cattle, full pedigrees, properly certified, must accompany the entry. No animals will be allowed to compete as pure bred unless they possess regular Stud or Herd Book pedigrees, or satisfactory evidence be produced that they are directly descended from such stock. In the class of Durham Cattle particularly, no animal will be entered for competition unless the pedigree of the same be first inserted in the English, American, or Canadian Herd Book, or in the Canada Stock Register, kept at the office of the Association, Toronto.

8. *Grain, Field Roots, and other Farm Products, Machinery for other than Agricultural purposes, and Manufactures generally,* must be entered previous to, or on Saturday, August 30th, three weeks preceding the show.

9. *Horticultural Products, Ladies' Work, the Fine Arts, &c.*, may be entered up to Saturday, September 6th, two weeks previous to the Exhibition.

10. Exhibitors are particularly requested to take notice that it is absolutely required that the entries be made at the dates above mentioned, in order to afford sufficient time to examine the entry papers, and to correspond with parties, when necessary, for the correction of errors and omissions; and no exception will be made to this rule on any consideration whatever.

11. In the Live Stock Classes, the entry must in every instance be made in the name of the *bona fide* owner, and unless this rule be observed no premium will be awarded, or if awarded it will be withheld. If any person shall exhibit any animal of which he is not the *bona fide* owner, he shall forfeit any premium which may be awarded him, and be precluded from exhibiting in future.

12. In all the other classes entries must be made in the names of the producers or manufacturers only, and by such producers themselves in person, or their agents duly authorized. Any person making entries as an agent for more than one producer or manufacturer must pay the usual subscription of one dollar for each of such parties. If any person shall enter an article for exhibition, as produced or manufactured by himself, when it has not really been so, he shall forfeit any premium which may be awarded the article, and be precluded from exhibiting in future.

13. In all, (unless otherwise specified,) departments, the competition is open to exhibitors from any part of the world, without reservation, on compliance with the rules.

14. Manufacturers are requested to furnish with the articles exhibited, a statement of the quantity they can produce, or supply, and the price, for the information of the Judges, whose decision will be based on the combination of quality, style, and price, and the adaptation of the article to the purpose or purposes for which it is intended.

15. No person shall be allowed to enter for exhibition more than one specimen in any one section of a class, unless the additional article be of a distinct named variety or pattern from the first. This rule not to apply to animals, but to apply to all kinds of grain, vegetable products, fruit, manufactured articles, &c., in which each ad-

ditional specimen would necessarily be precisely similar to the first. No exhibitor in the Arts and Manufactures Department shall be awarded more than one prize in any one section of the same class.

16. *Extra Entries.*—Every article must be entered under some one of the headings in the regular list, when possible; but if any article is of a distinct character from anything specified in the list, it may then be entered in the extra section of that class with which it most nearly corresponds. No article, however, will be allowed to be entered as an extra for want of sufficient quantity or number, or any other similar defect, when of the same kind or variety as anything named in the list; in such a case the article cannot be exhibited.

17. All Agricultural or Horticultural products must be the growth of the present year. Manufactured articles, or works of art, which have been awarded prizes at any previous Provincial Exhibition, shall not be entered in competition for the prizes named in the prize list for this year, but shall be awarded diplomas, if, in the opinion of the judges, such articles are superior to any others exhibited, and are deemed worthy of the same.

18. On the entry of each animal or article, a card will be furnished the exhibitor, specifying the class, the section, the number of the entry, and the name of the exhibitor, **which card must remain attached to such animal or article during the Exhibition.**

TRANSPORT OF ARTICLES, PLACING THEM ON EXHIBITION, AND CHARGE OF THEM WHILE THERE.

19. *All specimens in the FINE ARTS and all* articles other than Live Stock, Fruits, Flowers, and Butter, must be delivered on the grounds, arranged and placed on exhibition not later than Saturday, 20th September. Live Stock, Fruits, Flowers and Butter, must all be on the grounds not later than Monday, 22nd, 6 p.m.* Articles or animals arriving after these hours will not be allowed to compete. Exhibitors of machinery and other heavy articles are to have them on the grounds during the week preceding the show.

20. Exhibitors must provide for the delivery of their articles upon the Show Ground. The Association cannot, in any case, make provision for their transportation, or be subjected to any expense therefor, either in their delivery at, or return from, the grounds. All the expenses connected therewith must be provided for by the exhibitors themselves.

21. Articles not accompanied by their owners may be addressed to the care of

the Superintendent of the Exhibition, who will receive them on their being delivered at the Grounds; but in no case will such articles be brought on the Grounds and placed on exhibition except by and at the expense of the owners or their authorized agents.

22. Exhibitors on arriving with their articles, will apply to the Superintendent of the Grounds, who will be stationed within the entry gate, and will inform them where the articles are to be placed.

23. Exhibitors will, at all times, give the necessary personal attention to whatever they may have on exhibition, and at the close of the Show take entire charge of the same.

24. No articles will be allowed to be removed from the grounds till the close of the Exhibition, on Saturday, 27th, at 9 a.m., except live stock, which may be removed on Friday evening, 26th, at 4 p.m.

25. Though the Directors will take reasonable precaution to ensure the safety of articles sent to the Exhibition, yet they wish it to be distinctly understood that the owners themselves must take the risk of exhibiting them; and that should any article be accidentally injured, lost, or stolen, the Directors will give all the assistance in their power towards the recovery of the same, but **WILL NOT MAKE ANY PAYMENT** for the value thereof.

STEAMBOATS, RAILROADS, CUSTOMS.

26. The Association will make such favorable arrangements as are found practicable with Steamboat, Railroad and Express Companies for carrying articles and passengers at reduced rates.

27. Arrangements will be made with the Customs Department for the free entry of articles from foreign countries for competition.

ADMISSION TO THE GROUNDS.

28. Each member on paying his subscription, will be furnished with four small admission tickets, each of which will admit the holder once, and must be given up at the gate on passing into the grounds. By economy in the use of these tickets, they can be made to last during the Show; but if a member shall have used them all, and still desires admission, he will have to pay for admission in the same manner as a non-member. Life-members will be furnished as heretofore with tickets or badges admitting them during the Show. Delegates from Societies and members of the Press will also be furnished with complimentary admission badges or tickets, as heretofore.

29. The entry tickets upon animals or articles will admit the person bringing them to the Show Grounds for exhibition, along with such animals or articles, without the use of any other ticket. Afterwards, such parties must be provided with proper admission tickets.

30. *Necessary attendants* upon stock and articles belonging to exhibitors will be furnished with admission tickets for each day of the exhibition, with their names written upon them, WHICH TICKETS WILL BE GOOD, TO THE PERSONS WHOSE NAMES THEY BEAR, AT THE EXHIBITOR'S GATE ONLY, during the Show.

31. The price of admission to those who are not members will be 25 cents each time of entering through the gates on Monday, Tuesday, Wednesday, Thursday and Friday. The admission will be by means of Registering Turnstiles, AND EACH PERSON WILL BE REQUIRED TO BE PROVIDED WITH THE PROPER CHANGE BEFORE ENTERING. Carriages and horsemen will not be admitted. All horses entered for exhibition purposes shall only be ridden or driven while being exhibited, and in the ring.

32. Numbers of carriage, buggy and saddle horses having heretofore been entered merely for the purpose of obtaining cheap stabling, and driving about the grounds, the Committee on Horses will exclude from the grounds any such animals as appear unworthy of entering for competition.

JUDGES AND THEIR DUTIES.

33. The Judges will be appointed by the Council of the Association previous to the Exhibition, and will receive a circular informing them of the fact, and inviting them to act.

34. The Judges are requested to report themselves at the Secretary's office, presenting their circular of appointment, immediately on their arrival at the grounds.

35. The judges will meet at the committee room on the grounds, on Tuesday, September 23rd, at 10 o'clock a. m., for the purpose of organizing, and immediately entering upon their duties, and will then be furnished with the committee books containing the numbers of the entries in each class. On receiving their class books, they will also be furnished with blank prize tickets, which they shall fill up and affix in each section as soon as they shall have finally determined their awards.

36. No person shall act as a Judge in any class in which he shall be an exhibitor.

37. In addition to the stated premiums offered for articles enumerated in the list, the Judges will have the power to recommend discretionary premiums for such articles, not enumerated, as they may consider worthy, and the directors will determine the amount of premium. The Judges may also distinguish such animals or articles as they consider deserving of notice, but which have not received prizes, by ticket, with the words "Highly Commended," or "Commended," upon them. These tickets will not entitle the holder to any money payment.

38. In the Fine Arts and Mechanical Departments, Diplomas will be awarded, in addition to the money prizes, to any specimen evincing great skill in its production, or deemed otherwise worthy of such a distinction, on its being recommended by the Judges, and approved of by the Committee, to whom all such matters shall be referred.

39. In the absence of competition in any section, or if the stock or articles exhibited be of inferior quality, the Judges are instructed to award only such premiums as they think the articles deserving of. They will exercise their discretion as to whether they will award the first, second, third, or any premium.

40. Under "Extras" in each of the classes, when more than one entry of the same kind of article has been made, they will be judged as in competition for first and second prizes, the same as though they had been in regular sections, and when but one such entry has been made, the article, if worthy, shall be recommended a first or second prize. The Judges, however, are instructed not to recommend prizes in either the "regular" or "extra" sections of any class, unless the articles come up to the desired "standard of excellence." No award of prize for Extras will be paid until sanctioned by the Committee of the Association.

41. Each award must be written in a plain, careful manner, on the blank page opposite the number of the entry.

42. ANY PERSON WHO SHALL ATTEMPT TO INTERFERE WITH THE JUDGES WHILE IN THE DISCHARGE OF THEIR DUTIES, OR WHO SHALL AFTERWARDS, ON THE PREMISES OF THE ASSOCIATION, USE ANY CONTEMPTUOUS OR ABUSIVE LANGUAGE TO ANY JUDGE IN CONSEQUENCE OF ANY AWARD MADE BY HIM, SHALL FORFEIT HIS RIGHT TO ANY PREMIUMS TO WHICH HE MIGHT OTHERWISE BE ENTITLED, AND SHALL BE EXCLUDED FROM EXHIBITING FOR ONE YEAR THEREAFTER.

EXTRACTS FROM BY-LAW.

43. "The Judges shall, in the execution of their duties, be careful to act with the most rigid impartiality; shall make

their entries in a clear and conspicuous manner, in all cases of doubt or difficulty referring freely to the Secretary, or to the Committee of the Council in charge of the department; and when they have completed their reports, shall sign and deliver their books to the Secretary of the department to which they belong.

44. "Upon the discovery of any fraud, deception, or dishonest practice, either in the preparation, ownership, or of any representation concerning any article exhibited, which may have affected, or may have been intended to affect, the decision of the Judges, the Council shall have power to withhold the payment of any prize awarded, and may prohibit any such party or parties from exhibiting in any class for one or more years, and may also publish the names of such persons or not, as may be deemed most expedient."

DELEGATES, THE ANNUAL MEETING, ETC.

45. Delegates and members of the Press are required and expected to report themselves at the Secretary's office immediately on their arrival, when the delegates will be furnished with official badges, and the members of the Press will be afforded all the usual facilities.

46. The Annual Meeting of the Directors of the Association will take place at the City Hall, Ottawa, on Wednesday evening, 24th September, at seven o'clock.

47. Delegates from Country Societies desiring to obtain a portion of the Canada Company prize wheat for their counties, will please apply to the member of the Council for the District in which their respective Societies are situated.

THE GENERAL SUPERINTENDENT.

48. The General Superintendent will have the entire supervision of the Grounds and the arrangements of the Exhibition. He will have an office upon the ground, where all persons having enquiries to make in relation to the arrangements will apply.

PAYING THE PREMIUMS.

49. The Treasurer will be prepared to commence paying the premiums on Saturday, September 27th, at 9 a.m., and parties who shall have prizes awarded them are particularly requested to apply for them before leaving Ottawa, or leave a written order with some person to receive them, stating the articles for which prizes are claimed.

50. Persons entitled to cash premiums must apply for them at the Secretary's office, who will give Orders on the Treasurer for the amount.

51. These orders must be endorsed, as they will be payable to *order* not to *bearer*, and on presentation to the Treasurer, properly endorsed, will be paid either in cash, or by cheque on the bank.

52. Orders for premiums not applied for on Saturday, as above, will be given by the Secretary, and the amount forwarded by the Treasurer, on receipt of proper instructions.

EXTRACTS FROM AGRICULTURAL STATUTE.

53. "A" persons to whom a prize is awarded shall apply to the Secretary of the Association for payment thereof before or on the 30th day of November of the year in which such prize is awarded, or shall forfeit such prize.

54. "The Council or Board of Directors of any Association or Society organized under this Act, on being made aware of any fraud having been committed by any member or exhibitor, in the entry of any stock or goods in competition for prizes at any exhibition, shall have the power of withholding the payment of any prizes that may have been awarded by the Judges to such members or exhibitors, or such fraudulent or any other entries made at any such exhibition.

55. "If any person willfully injures or destroys any property within the Exhibition grounds of the Agricultural and Arts Association, or of any Agricultural or Horticultural Society, or hinders or obstructs the officers or servants of the said Association or of such Society, or any policeman or constable duly appointed as aforesaid, in the execution of his duty, or gains admission to the said grounds contrary to the rules of such Association or Society, he shall be liable to a fine of not less than one or more than twenty dollars; said fine to be enforced and collected as fines are usually collected and to be paid over to such Association or Society for its use and benefit; and in default of payment the said offender shall be imprisoned in the common gaol for a period of not more than thirty days. 31 V., c. 29, s. 57.

56. "The officers of any such Association or Society may by their rules and regulations prohibit and prevent all kinds of

gambling, theatrical, circens, or mountebank performances, exhibitions or shows, and also regulate or prevent the huckstering or trafficking in fruits, goods, wares, or merchandise on the Exhibition grounds, or within three hundred yards thereof; and any person who, after due notice of such rules and regulations, violates the same, shall be liable to be removed by the officers, policemen, or constables of said Association or Society, and be subject to the penalty prescribed by the next preceding section. 31 V., c. 29, s. 58.

57. "It shall not be lawful to carry on any horse-racing during the days appointed for holding any Exhibition by the Agricultural and Arts Association, or by any Electoral District Society, within five miles of the place of holding the same. 35 V., c. 32, s. 10.

2. "Any person who shall be guilty of a violation of this section shall be liable, upon summary conviction before a Justice of the Peace, to a fine not exceeding fifty dollars, or imprisonment in the common gaol of the County for a period not exceeding thirty days. 35 V., c. 32, s. 11."

MISCELLANEOUS.

58. Provender will be provided by the Association for live stock at cost price. For information exhibitors will apply to the superintendent of the grain and fodder department, at his office.

59. In case the directors shall require any particular information in reference to animals or articles taking first prizes, the owners will be expected to transmit it when requested to do so.

60. All protests against decisions of the Judges *must* be made before the close of the Exhibition, and must be delivered to the Secretary *in writing*, stating the cause of protest. Any difficulty, or protest, in respect to the awarding of prizes in any of the departments, shall be referred to the proper committee of the Council over that department, who shall have full power to adjudicate upon the same, and report their decision to the Council, for approval, and such approved decision shall be final, and the protest and report upon it shall be entered in a book kept for the purpose.

The exact ages of young animals on 1st September, 1879, must be stated on the cards, and it will be taken into consideration by the Judges in making their awards; and any person understating the age of an animal will forfeit the premium to which he might otherwise be entitled.

A statement to be produced to show the breeding of the animals in Class 13.

Young animals may compete, if the exhibitor thinks fit, in older classes than that to which they properly belong; but the exhibitor must choose the section he will compete in when making the entry; he shall not change to another section afterwards, and no animal will be allowed to compete in more than one of the foregoing sections, except for the medals for male or female of any age, or in the Herds.

Cows in any of the above classes must be giving milk at the time of the exhibition, or be evidently well gone in calf.

An animal will not be allowed to compete as a three year old cow unless she has had a calf, or is evidently in calf; but a two year old animal having had a calf, will be allowed to compete as a two year old heifer, if the owner thinks fit.
